Pick Manhattan Youth As Foreign Exchange Student

Thomas K. Hartnell, the son of Mr. and Mrs. John V. Hartnell, 420 East North St., Manhattan, was chosen as Lincoln-Way's foreign exchange student for the summer of 1966. Tom, a junior, has a scholastic average of 3.80 based on a 4.0 maximum. He is active in athletics and student council.

The Lincoln-Way area Lions Clubs are the sponsors of the foreign exchange student program. The group is composed of the Frankfort, Manhattan and New Lenox clubs. Grant Guether of Frankfort is chairman of the committee. Other members of the committee are Jonas R. Lashmet and Mrs. George Bills of the high school faculty, Dr. and Mrs. Joseph Petnuch, and Mr. and Mrs. W. B. Hamilton, of Mokena, who have been hosts to foreign students.

The country to which Tom will be sent will not be known until an exchange student from another country is determined. The Lions Clubs from various European countries who have students interested in spend-

ing a year in the United States contact the Lions International which, in turn, informs Mr. Guether.

The student exchange program was designed to develop better understanding and friendship among the people of the world. Lincoln-Way High School has participated in this program for the past eight years sending students to Germany, Argentina, the Netherlands, Sweden, Japan and Switzerland. Lincoln-Way has had foreign students from Den-

mark, Germany, Italy, Chile, Belgium, Sweden, Switzerland, and Japan.

Financing the program has been a co-operative affair by the people in the communities and the students of Lincoln-Way. The student council sponsors a "SHARE IN THE FARE" tag day. The remainder needed is contributed by local organizations, business men and individuals.

The Lions Clubs in the various communities will conduct the drive for funds along with Mr. and Mrs. Robert Olson in Mokena.

Organization shares will be issued in \$10 denominations, individual shares in \$5 denominations, and student shares in 50 cent denominations.

The drive will begin on Monday, March 21 and will continue thruout the week.

Men's Club To Serve Pancakes

St. John's Men's Club, of St. John's United Church of Christ, Mokena, is sponsoring a pancake supper Saturday evening, March 19, in the church hall.

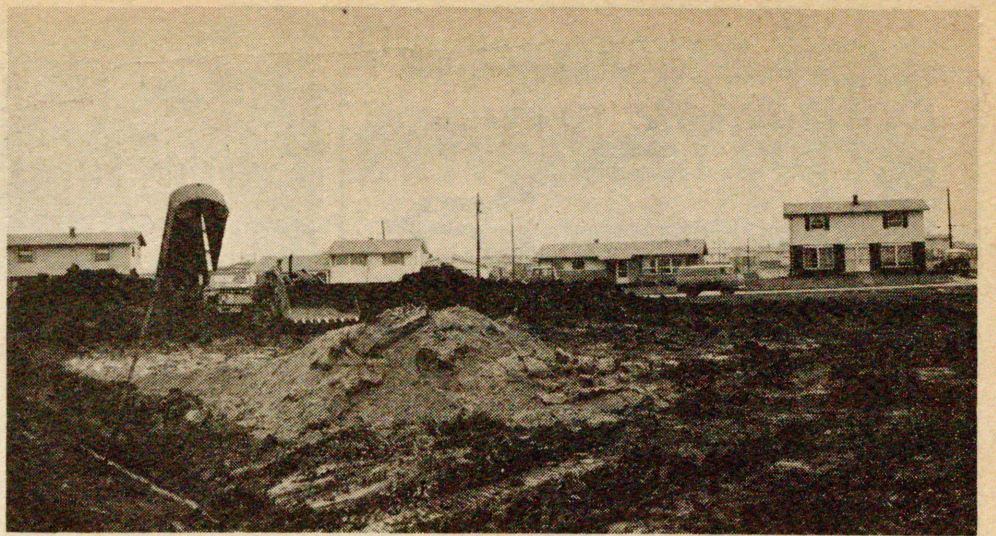

There will be five periods for serving so one can pick his time-- 5 o'clock, 5:30, 6:00, 6:30 and 7 o'clock. Tickets will be on sale at the door, \$1.25 for adults, 50 cents for children. Pancakes, pork sausage, coffee or milk.

L-W Band Boosters To Sponsor Donkey Ball Game April 15

The Lincoln-Way Band Boosters are winding up for a ticket-selling campaign for a Donkey Ball game slated for 8 p.m. in the school gymnasium.

Tickets will be \$1 for adults, 50 cents for students. Proceeds will be used to meet various expenses, including the purchase of uniforms, the Easter trip and the summer band camp.

Who will play who in the Donkey Ball game will be announced later. A basketball is used and the players attempt to score baskets while astride of burros that may be relied upon to do the unexpected.

START WORK on addition to Arbury Hills Grade School. Crews began excavating for the foundations last Friday shortly before noon. Some months ago the people of District 161 approved a bond issue for \$85,000 to meet the cost of the improvement. The addition, which will adjoin the present building on the west, will contain four rooms and office space. When completed the school will have a total of 16 classrooms, according to Supt. Kenneth Webster.

Begin Construction On I-80 Projects In Area

Work is getting underway in the area this week on I-80 construction. Under contract are several overpasses planned to carry secondary roads over the East-West super-highway listed on the maps as Federal Aid Interstate 80.

But only Marley Rd., (187th St.)--or rather only a portion of it--will be closed because of the work.

Marley Rd. is to be carried over I-80 from a point just east of Willow Run Golf Club to a point just east of the Marley Community Church, and there will be no detour or temporary road built to carry east and west traffic.

State engineers say persons living on Marley Rd. will not be cut off from using it but they will have to go east or west of the portion where the overpass will be. Entrance to Willow Run Golf Club, for example, will be from the west so that persons living in Mokena will have to take Francis Rd. to Cedar and thence to U.S. 6, or take Wolf Rd. north to 179th, and thence to U.S. 6 and Marley.

The New Lenox and Mokena school buses will have to make some minor route changes. School authorities were notified by the highway department that Marley Rd. would be closed Monday of this week.

John D. Simpson Construction Co., Joliet, has the contract for the Marley overpass. His bid was \$263,937.

Simpson also has the contract for the overpass of New Lenox Township Road 304 and Parker Rd., over I-80, about 2 1/2 miles northeast of New Lenox. The cost is set at \$106,264. A bypass will be built there and work was scheduled to begin on this project Tuesday, March 15.

Also slated to start this month was work on the Cedar R. overpass north of New Lenox. There will be a bypass there too. Eric Bolder Construction Co., of Libertyville has the contract for that project--\$229,468.

This is a grade separation New Lenox leaders would like to see made into an interchange. The growth of the population of that area, plus the growth of traffic and the fact that another controlled access expressway is scheduled to come down from the north and hook into I-80 north of New Lenox makes an interchange there a natural, they argue.

Work on the grade separation to carry I-80 over the Wabash railroad west of Marley is slated to begin April 1. Orr Construction Co., Chicago Heights, has that contract, for \$311,935.

The grade separation that will carry I-80 over the Rock Island Lines about three miles southwest of Tinley Park (on what would be a continuation of 187th St., east of U.S. 45) is scheduled to have work begin April 29. Superior Concrete Construction Co., Chicago, has the contract for \$504,877.

So far the State Highway Department has not set a date for bids for the interchange of U.S. 45 and I-80 in the vicinity of 183rd St. but engineers believe a contract may be let for the work in the fall. The original design called for U.S. 45 to generally follow its present route south and pass under the Rock Island tracks as it does now. This underpass presents a serious drainage problem which forces the closing of U.S. 45 after heavy rains or snows. Engineers are re-designing the interchange, with a shift of U.S.

45 so it will cross over the railroad tracks, it was said.

No contracts have yet been let for building I-80 itself between the east edge of Joliet and Harlem Av., which is the limit of jurisdiction of the Elgin District Office of the State Highway Department. As a matter of fact arrangements have not been completed for acquiring all the needed right-of-way.

State engineers say that all the work for completing I-80 between Joliet and Hazel Crest will be under contract this year with most of the construction started. This would indicate that I-80 will not be ready for use, however, by the end of 1966.

At the beginning of 1966 it was announced at Springfield that I-80 would be finished this year. In the face of present conditions, however, it is the belief of those in touch with the situation that job will not be completed until next year.

New Lenox Tots Are Easter Seal Children

A brother and sister, Mike and Kathy Rassman, children of Mr. and Mrs. Wayne Rassman of New Lenox, have been selected as Will County's Easter Seal children.

Mike, 3, and Kathy, 2, were both premature babies, both victims of cerebral palsy. At the Easter Seal Center, 214 East Cass st., Joliet, Mike and Kathy are learning to walk and becoming better coordinated in the use of their hands. Both children will probably go to regular schools and will grow up to lead normal lives, it was believed.

The Easter Seal Center is a medical out-patient center affiliated with the National Society for Crippled Children and Adults and the Illinois Association for the Crippled. It is a voluntary health agency supported solely thru the annual Easter Seal Campaign, now in progress, and private con-

tributions.

Last year, over 2700 treatments were administered to 158 patients, children and adults, by a full time occupational therapist and two part time speech therapists. Physically handicapped children and adults afflicted with cerebral palsy, multiple sclerosis, stroke, polio, birth defects, speech and hearing disorders, crippling due to accidents and other neurological disorders are referred to the center by their physicians.

Easter Seals have been sent in the mail to citizens of Will County. The Door-to-Door Easter Parade will be held Sunday, March 27, according to E. B. Workman, 1966 campaign chairman. Chairman for the Easter Parade in the New Lenox area is Mrs. John Francis; Harold Speiss, Mokena, is in charge of the campaign in Mokena.

Variation Granted For Phone Building

At a meeting of the Mokena Zoning Board of Appeals a variation was granted in the "back yard" size for the site of the new Illinois Bell Telephone building on First St.

The zoning codes call for the back building line to be set 20 feet from the back

line of the property.

E. D. Friant, who is erecting the telephone building, had put in foundations that were within three feet of the back lot line but was ordered to stop work until the variation question was settled. Work has now been resumed.

Hope To Have Junior College Petitions Ready By April 1

Representatives of a three-county area (Will Grundy, and portions of Kendall) are conducting a feasibility study as to the formation of a Class I Junior College.

The study is preliminary to the filing of a petition asking for an election on establishing such a district. Four committees including volunteers from all areas, have been set up to look into the proposal.

Before a petition is filed with the State Junior College Board, the areas to be included in the district must be defined. Public hearings will be held before final action is taken, it was said.

Attorney Kenneth, Timm, Cherry Hill, is heading the citizens committee that is undertaking the leadership in the studies and preparation of a petition. He said the four study committees are working toward an April 1 deadline, with the hope of filing the petition with the state soon after that date. He is working toward a pre-June election so as to avoid confusion with the June 14 primaries to be held this year.

As being studied, the proposed district would have an estimated tax base or assessed valuation of a billion dollars. With such a base, an educational tax rate of 10 cents would be sufficient to give the proposed district adequate funds with which to carry on its extensive programs, the committees believe. In addition, a low building rate should make it possible for the district to erect a new campus what with the state paying three-fourths of the building costs.

The committees are working toward an early election so as to have the district established prior to September, 1966. There is a great financial advantage, they stressed. State aid will remain at \$11.50 per semester hour under a Class I Junior College. It will be cut back to \$9.50 after Sept. 1.

Until 1971, the state is to pay three-fourths of the building costs, the new junior college law provides.

If the proposal to form a Class I Junior College in

these three counties is approved, a separate board of education will be named. The final building program will be the responsibility of this seven-member board. Attorney Timm has gone on record favoring the endorsement of a board that would be representative of all areas in the new district. For the time being, the district would have to lease space in which to operate classes.

In order to be approved, the proposal will have to get the majority of votes on the incorporated areas as well as the unincorporated communities.

Members of the committees working on the feasibility study represent all sections of the proposed district. From the Lincoln-Way High School District committee members are, Lester Brown, Dr. and Mrs. Thomas Chamberlin, Mr. and Mrs. George Fox, Mr. and Mrs. James Hammond, the Rev. James Harper, Mr. and Mrs. William Howard, Lewis Radd and Mrs. Ronald Whitaker, all of New Lenox, and Chester Ebert, of Mokena. Ronald Whitaker is a member of the Central Committee.

Friday Last Filing Day For School Board

Lester Ebert, a member of the Frankfort Grade School board whose term expires next month, has taken out nomination petitions.

Melvin Eisenbrandt, another incumbent, is the only candidate to file thus far. There are three places to be filled on the board this spring. Members whose terms expire are Eisenbrandt, Ebert and Glenn Nissen.

Friday afternoon, March 18, is the deadline for filing nominating petitions. In areas where school offices are open Saturday morning or all day Saturday, March 19 will be the last day for filing. In the area school districts, however, school offices are not open Saturday morning, with the exception of the Lincoln-Way High school office. Petitions for the high school board will be accepted up to 12 noon, March 19.

J. T. Fagan Enters Mokena School Race

A fifth man has entered the grade school board race at Mokena, James T. Fagan, 121 Glennell Heights, who is employed by the Illinois Bell Telephone Co. at its Lockport office, the headquarters for the area.

Fagan is the fourth candidate for the two three-year terms to be filed in the election April 9. Besides these two regular terms there is an unexpired term of two years--to be filled.

There is one candidate filed to date for the unexpired term. Willard Barenz, who was appointed to serve on the board some weeks ago until the end of the first year of the term. That would be in April. Barenz filled the vacancy brought about thru the resignation of Roy Toppen.

The only other incumbent running is Fremont Warning, who is seeking re-election

for a regular term. The other two seeking a three-year term prior to Fagan's announcement, are William Mutsch, of Arbury Hill, and William Cady, Marley Rd. Mutsch is a salesman and Cady a school teacher.

Before coming to Mokena eight years ago the Fagans resided at New Lenox. This is the first time Mr. Fagan has been a candidate for office. He is a member of the recently formed Lay Citizens Committee for the grade school and is chairman of the ways and means committee of the Mokena PTA.

PRESENT FLAG at Girl Scout Rally in Frankfort last Sunday. Carrying the Colors is Norma Prina and the color guard alongside is Leslie Koster. The girls are members of Cadette Troop 375, New Lenox.

350 Girl Scouts At Trikena Rally

International Friendship Rally of Trikena Neighborhood Girl Scouts was held in the Frankfort grade School gymnasium last Sunday (March 13). In attendance were 350 Girl Scouts, their leaders and 150 friends and relatives.

The program included group singing, folk and square dances, recitations and the explanation of the Juliet Low Fund, around which the rally was centered. Ten Brownie Troops entertained with songs and dances, demonstrating the variety of activities stemming from their troop meetings.

The six Junior Troops ex-

pressed themselves as go-go dancers, square dancers, Green Beanies Band and recitation of their knowledge of Girl Scouting.

Cadette Troop 375, New Lenox, presented the Colors at the beginning of the program and the flag was retired by Cadette Troop 97 of Mokena. Cadette Troop 336 of Arbury Hills were hostesses and Cadette Troop 379 of Frankfort supplied the ushers. These Cadette Troops also wrote and produced costumed skits about making friends with Girl Scouts and Girl Guides of other countries. This completed some requirements for badges and challenges.

Rochester Glee Club Will Sing At Orland

The University of Rochester Men's Glee Club under the direction of Paul R. Allen will present a concert at Carl Sandburg High School on Monday, March 28, at 8 p.m.

This 70 voice men's chorus has established a nationwide reputation for outstanding vocal performances. The

club's on its spring tour with performances in Illinois, Ohio, and Indiana.

The men will be overnight guests of the students in the music department at the high school. Staying in private homes allows the high school and college students to become better acquainted with the geographical area of the country and with each others school background.

The program will be presented in the boys gym with admission prices set at \$1 for adults and \$.50 for students.

Will Explain Medicare At Conference

The Oak Lawn Chamber of Commerce is sponsoring a social security and medicare panel on March 23. The affair is to be held in the circuit court room, 5240 James St., from 2 to 9 p.m.

March 31 is the deadline for persons 65 years of age or older to sign up for the plan under which they can get insurance that will provide some payment for doctors' services. If they do not sign now their next opportunity will not come until next year.

Persons unable to attend because of illness or disability can call TR 3-6200 and arrange for in-home service, it was stated.

Postmasters Take Refresher Course

Postmaster L. E. Brown of New Lenox, Ill., has returned from Springfield, Ill., where he spent two days at the 4th Annual Postmasters' Training School. The school is sponsored by the Illinois Chapter, National Association of Postmasters in cooperation with the Chicago Regional Office.

This is a voluntary school that may be attended by any postmaster in Illinois and entirely at his expense. A competent Staff of Instruc-

tors from the Regional Office, assisted by some of the postmasters conducted classes in various subjects.

Postmaster Brown states that these refresher courses are offered each year to help them keep abreast of constant changes in postal operations. An opportunity is also presented each postmaster to discuss individual problems with the various department heads from the Regional Office.

Wounded Marine OK, He Writes Parents

The condition of Lt. Henry P. Barnett, U. S. M. C., wounded in action against the Viet Cong March 4, is reported much improved. The authority for this is the lieutenant himself in a letter this week to his parents, Mr. and Mrs. Aaron Barnett, 11301 W. 193d St., Mokena.

He wrote from the USS Repose, a hospital ship lying off the Viet Nam coast.

"The writing was a little shaky," his mother said, "but it was wonderful to know he was able to write. We are all very grateful for the many messages of encouragement sent us and Henry and for the prayers."

The piece of hardware that caught Lt. Barnett missed any vital organs, he wrote his parents, and he is coming along alright.

He is in the 2d Bn., of

the 7th Regiment of Marines and has been in Viet Nam since July 7, and has had considerable action.

"On March 4," he wrote his parents, "we were going after a North Viet Nam regular army regiment. A prisoner had told us they were in a particular area so we went there and found them. There was pretty hard fighting all day. I was shot, left side of my chest, in the late afternoon. The bullet went right thru the upper part of my stomach and right on out the back.

"I was evacuated to the field hospital at Chu Lai and operated on that night. The bullet injured no vital organs so after a few weeks of rest and relaxation I'll be as good as new. The doctor told me I will not be going back to Viet Nam but probably to Okinawa and possible the United States."

1 Killed, 5 Injured In Five-Car Crash

A Palos Heights girl escaped serious hurt Sunday night in an accident involving five cars on I-55 near the exit for U.S. 66-A. The driver of one of the cars was killed and five persons hospitalized. It was another case of an automobile running thru the median strip of the expressway and meeting traffic bound in the opposite direction.

A car travelling north, driven by Frank Vargas, 20, Chicago, ran thru the median strip into the southbound traffic lanes. It first struck a car driven by Albert Tucker, of Morris, and then crashed into the left side of an auto driven by James E. Paul, 39, 140 Rockhurst, Colonial Village, near Lemont. Paul was killed and his passenger, Frank Brazewski, 35, of 369 Pinecrest, Colonial Village, was critically injured.

Another southbound car, driven by Roger Nolan, 35, LeClair, Iowa, ran into the

wreckage as did the car driven by Miss Delores Phares, 21, of 6840 Linden, Palos Heights. Miss Phares and a passenger, Miss Carolyn Embody, 21, Joliet, escaped serious injury. They were treated at Silver Cross hospital, Joliet, and released as was Nolan. Mrs. Nolan, Susan, 28, was admitted to the hospital.

Brazewski, Vargas and the three passengers in the Vargas car were admitted to St. Joseph hospital, Joliet. One of them, Rosa Rosa, 19, was reported in serious condition. There were four persons in the Tucker car but they appeared to have been only shaken up.

The theory back of these median strips is that a car entering them will roll over before it emerges in the traffic lanes on the other side.

Highway engineers are said to be taking another look at this theory since there have been several recent cases in which cars zoomed thru median strips to come hurtling head on into traffic in the opposite lanes with fatal results. Some of the Chicago expressways are said to be guarded in the center by steel rails.

Others that among their customers are DuPont, NASA, Dow, Rhom & Haas as well as many other large and small chemical companies, the investment appears to be a good one.

Mr. Armstrong is active in community affairs at Mokena. He is treasurer of the Mokena Chamber of Commerce.

ArRo Laboratories Holds Open House

The ArRo Laboratories Inc., at 1107 W. Jefferson St., Joliet, is having open house today (March 17). Jerold L. Armstrong, of 27 S. Brightway, Mokena, and Dr. Robert J. Rolih, are the owners of ArRo.

This laboratory, they explain, is the only one of its kind in the United States which is capable of doing custom analysis by means of rather exotic electronic instruments.

"The type of work we do," said Armstrong, encompasses the following areas of chemistry:

Analysis of such materials as heat shielding polymers used on space vehicles. Also we engage in analytical elucidation of natural proteins found in the human body, plant and animal life."

They have invested some \$100,000 in equipment used to perform the services mentioned but when one con-

The Arbury Hills Boys Baseball League held their annual elections at the March meeting at the school.

Those elected to office were as follows: president, Joe Arcuri; vice president, Fred Larsen; secretary, Mrs. Joan Cumbee; and treasurer, Dick Prather.

The Board of Directors was also voted upon, and are as follows: Connie Karp, Fran Crones, Bob Lindeman, Joe Mangan, Jordan Marzano, and Foster Tekotte.

The final two officers elected were: field procurement, Bill Roach and player agent, Foster Tekotte.

The registration for boys interested in participating in the baseball program this summer will take place at the school on Saturday, March 26 from 10 a.m. until 2 p.m.

All boys living within the school district who are at least eight years old by August 1, 1966 and will not be sixteen years old by August 1, 1966 are eligible to participate in the program.

There will be a registration fee of \$3.50 per boy to defray the cost of insurance. The registration must be paid by April 2, 1966.

Remember that all boys must register on March 26 to be eligible to participate, and the fee must be paid by the following Saturday, April 2.

The annual benefit dance held for the baseball league held recently in Mokena netted \$227.30 to be used for equipping the teams this summer.

The baseball auxiliary has been disbanded as an organization, but the ladies are still welcome to attend the meeting of the men's organization.

The refreshment stand will be kept stocked both with provisions and ladies to sell the provisions this summer by Mrs. Rita Homer and Mrs. Barbara Lindeman. When these ladies con-

tact you with a request for help in working on the stand, please cooperate willingly.

At this writing there were still a few tickets available for the third annual St. Mary's fashion show to be held at the Silver Lake Country Club on Wednesday, March 23, starting at 8 p.m. The cost is \$1.50 per person.

Tickets can be obtained from Mrs. Dan Rankin at 479-9129. Her address is 19524 South Poplar ave.

There will be a clarification issued by the school board on the matter of a public kindergarten for Arbury Hills, to avoid misunderstanding of the situation due to the article published in this column in the March 10 newspaper.

Churchwomen To Have 'Quiet Day' At New Lenox

Episcopal Churchwomen of the Joliet Deanery (Blue Island, Bridgeview, Chicago Heights, Dolton, Flossmoor, Harvey, Joliet, Lansing, Lockport, New Lenox, Palos Park, Park Forest, Oak Lawn, and Tinley Park) will be attending a Quiet Day at Grace Church, Pine and Hickory Streets, New Lenox, on Tuesday, March 22.

The conductor will be the Rev. F. Daniel Montague, Jr. The day will begin with registration at 9:30 a.m. and holy communion at 10 a.m. followed by meditations.

MARY KATHERYN McCURE

Mr. and Mrs. James J. McCure, 176 Oakview dr., New Lenox, announce the engagement and approaching marriage of their daughter Mary Kathryn to Anthony C. Charvat, son of Mr. and Mrs. Anthony W. Charvat, 151 W. Wood st., New Lenox.

The couple will be married April 23 at 12 noon in St. Jude's Catholic church, New Lenox, with the Rev. Andre Schludecker, O.F.M. officiating. A reception will be held at the Michael's Spot Caterers from 2 to 6 p.m. Invitations will be issued.

A graduate of Lincoln-Way high school, Miss McCure attended Mount Mary college in Milwaukee and Joliet Junior college and is now employed as a certified dental assistant with Dr. Peter Nichols.

Also an alumnus of Lincoln-Way high school, Mr. Charvat attended Northern Illinois university at Dekalb, served in the armed forces in Korea, and is now employed at the Amoco Chemical Company. (Behnke photo)

SUSAN JEAN HITZ--Mr. and Mrs. Ralph L. Hitz of Orland Park announce the engagement of their daughter, Susan Jean, to Duke Barry, also of Orland Park.

Both are former graduates of Carl Sandburg high school. Mr. Barry is working at Peerless Metal Fabricators and attending Washburn Trade school.

Susan attended Northern Illinois university and is presently employed at the Orland State Bank.

The wedding date has been set for Oct. 1. (Behnke photo)

Musical Comedy To Be Given At Stagg

According to a popular notion fostered by fact and fiction, the 1920's were "roaring". There were short skirts and cupid bow mouths, bobbed heads and

flag pole sitters, Al Capone and the Charleston, the Pierce Arrow, and Rudolph Valentino. All of these were signs of an era of absolute abandon -- of affected "joie de vivre".

"The Boy Friend," a musical comedy written by Sandy Wilson, has captured the spirit of this era. This musical has a truly international flavor -- the humor is British; the dancing, American; and the plot, French. The setting for the play is a fashionable girls school of the French Riviera. The action of the play centers around the idea that each person must have a mate and at the final curtain, all must be happily united. The play sets out to accomplish this within a framework of sparkling musical numbers. There is the inevitable dance number, "Won't You Charleston With Me?"; the love ballad, "I Could Be Happy With You"; the production number, "The Riviera"; the humorous ditty, "It's Never Too Late to Fall in Love"; and the plaintive lament, "I've Got Those You Don't Want to Play with Me Blues".

"The Boy Friend" will be presented by the students of Stagg High School as their second all school musical production, April 1, 2, and 3. This is the first amateur production of the show in the Chicago area after the professional production at the Candlelight Theatre of four months ago. The production at Stagg will be directed by Sarah R. Stephens.

Honor Catherine Lee At Bridal Shower

A miscellaneous shower was held at the American Legion hall at Peotone on Sunday, March 6 for Miss Catherine Lee of New Lenox.

Hostesses were Mrs. Howard Bell, Miss Esme Bell, Mrs. Willard Fick of Peotone and Mrs. Robert O'Toole of Bradley. Miss Lee was presented with a corsage of green carnations upon her arrival. Forty guests attended from Frankfort, Kankakee, Peotone, Monee, Manhattan, Bradley and Manteno.

Miss Lee, the daughter of Clifford Lee of Tucson, Ariz. and the late Ruth Lee, will become the bride of Orville Bell, son of Mr. and Mrs. Marion Bell on Saturday, March 19 at the New Lenox Methodist church at 7 p.m.

The reception will follow immediately in the church parlors. Invitations have been issued but all relatives and friends are invited to attend both the wedding and reception.

World Flower Shop Will Open Saturday

A profusion of color, foliage, fragrance and beauty is set at McCormick Place for the thousands of first day visitors as the Chicago World Flower and Garden Show officially opens its doors on Saturday, March 19. The show runs thru Sunday, March 27.

Almost 100,000 plants, trees, shrubs and flowers will be at their peak of foliage and blossom perfection -- a perfection which resulted from careful nursing thru the winter in dozens of greenhouses and nurseries.

The Chicago World Flower and Garden Show is produced in association with the Chicago Horticultural Society and directed by Frank Dubinsky.

President of the Flower Show is Bruce Krasberg, Winnetka and its co-chairmen are I. W. Colburn, Lake Forest and Robert P. Wintz, Hinsdale. Indescribing the Show's features, these men announced that the first American showing of a Cinemascope film, "This Garden England", will be on Monday, thru Sunday, March 21-27, in the Little Theatre.

Designed around the theme of "America the Beautiful", many features and gardens emphasize many local, state and national beautification programs and highlight replicas of natural and man-

made beauties around the nation.

An outstanding feature of the show is a huge mural, 18 feet high and 80 feet long which depicts in color the Grand Canyon, Mt. Rushmore, Mt. Rainier, a midwest farm scene, a Mississippi river boat, Niagara Falls, a Florida beach and a California mission.

LWV Takes Up Study Of State Taxes

A panel discussion about how to give Illinois a clear, modern tax structure will stimulate League of Women Voter members to evaluate the several sources of income available to state government. Unit meetings will be held Monday, March 21 at 8 p.m. at the home of Mrs. Clyde Swaringen, 2 N. Woodland Tr., Palos Park and on Tuesday, March 22 at 9:30 a.m. at the home of Mrs. C. Russel Cox, 14900 108th Av., Orland Park.

For the past three months League members have been studying income, sales, property and privilege taxes with the purpose of deciding what provisions would be desirable in a revenue article of the state constitution.

Should Illinois adopt an income tax, and, if so, should it be graduated or flat-rate? Should the present sales tax be increased or extended to include personal services? These are a few of the questions to be raised by the moderator, Mrs. Lyle Brandt. Panelists will be Mrs. Roy Fox, Mrs. Clyde Vasconcellos, Mrs. Margaret Loebe and Mrs. Adolph DeBoer. Guests are welcome to attend.

Blue To Be Color Scheme For Cradle Dinner Dance

Blue flowers in blue bud vases will decorate the tables of Silver Lake Country Club, Orland Park, on Saturday, April 16 when the South Suburban Auxiliary of the Cradle Society holds its fourth annual dinner dance. Advance ticket sales indicate three hundred people will attend, report committee chairmen Mr. and Mrs. Guy Clayton, 2747 Perry Road, Flossmoor.

The benefit event will begin at 7:30 p.m. with cocktails and complimentary

hors d' oeuvres, followed at 8:30 by a buffet dinner which will include roast beef, assorted salads, hot dishes and rolls.

Dance music will be provided after dinner by the Vel-Tones, a four-piece group under the direction of Richard Little.

Ticket information is available from committee members: Mrs. Clayton, SY 8-6410; Mrs. Frank Amador, 19046 Loomis, Homewood, 798-2439; Mrs. Henry Anderson, RR#2, Box 138, Laguna Woods, Orland Park, FI 9-7926; Mrs. Richard Besser, 2737 Perry Rd, Flossmoor, 798-5785; Mrs. Kent Ryan, 8443 S. Kilbourn, Chicago, RE 5-4912; Mrs. Victor Willis, 14501 S. Woodlawn Ave., Dolton, VI 9-4743; and Mrs. Wilton Gates, 250 Hereford Drive, Steger, 756-3243.

The dinner dance is South Suburban Auxiliary's major

fund-raising event for the benefit of the Cradle Society, a private, non-sectarian adoption agency in Evanston. Since its founding in 1923, the Cradle had placed more than 9,000 babies in adoptive homes.

Auxiliary co-presidents are Mr. and Mrs. Jack Althuis, 4620 W. 100th Place, Oak Lawn.

No Rush For GIs To Sign

Veterans planning to go to school under the new GI Bill do not have to rush to meet a deadline, the VA pointed out today after President Johnson signed the Veterans Readjustment Benefits Act of 1966.

Late in April, the VA expects to have application blanks and full information available at all VA offices and at the admission offices in most approved schools.

Southwest Symphony Orchestra To Have Scholarship Plan

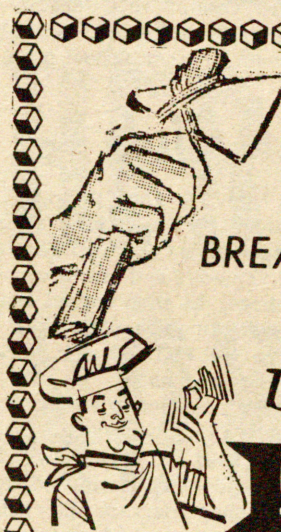

The Southwest Symphony Orchestra in the next few months will fulfill one desire it has held since its organization in 1964, to establish a scholarship program. A committee from the board of directors has been formed to draw up a plan which will then be circulated to local colleges and universities.

The fee for private instruction on any orchestral instrument will be paid directly to the educational institutional or to private teachers for study at the college or graduate level. The student will be required to rehearse and perform with the Southwest Symphony Orchestra. The first music scholarships are to be offered for the 1966 - 67 school year.

Plans are now in process for auditioning the applicants. Anyone who is study-

ing music on a college or graduate level may write for an application to Mrs. Robert Vander Vennen, 11531 Neenah ave., Worth, or call her at GI 8-8678.

The objects of the scholarship fund are to encourage and advance the study and appreciation of music in the south and southwest area of metropolitan Chicago; to expand the experience of the individual by working with a symphony orchestra under experienced professional direction; and to assure society of future professional musicians and teachers.

Marjai Guest Speaker At Club

Les Marjai, who is the president of the Belmont Athletic Club in Joliet, was the guest at the March 7th meeting of the Lincoln Estates Athletic Club. The meeting was held in the home of Mr. and Mrs. Charles Scheeler.

Mr. Marjai spent most of the evening answering questions, and offering suggestions to help make the organizing of the newly formed Athletic Club easier. He also added many helpful suggestions for the by-laws the club has adopted.

Ron Rob, uniform chairman, reported that the jackets for the charter members were ordered from Bob

Sullivans Sporting Goods store in Evergreen Park. Ron offered the suggestion that one chevron be placed on the sleeve for each year of membership in the club. He also expressed plans for the ball teams uniform.

Bob Seamon, ways and means chairman, announced that the dance tickets are now on sale and that Bud Balsie, who is in charge of entertainment, has engaged the "Mood Makers", which is rated as a top notch combo from the Chicago area. The dance will be held at the Veterans Memorial Building in Frankfort on April 30. For tickets or information, contact Bob Seamon at 469-5111.

Tom Vaughn, president, named Bud Scheeler as a replacement for Bud Balsie on the ways and means committee, he then named Bud Balsie membership chairman and Bud Scheeler, sergeant at arms.

Bob Seamon also chairman of the by-laws committee, read the by-laws which he and his committee of Clarence Harms and Bill Frankenberg had prepared along with the legal advise of August Santoro. After several changes had been made they were approved.

Bill Frankenbergs suggestion of a table tennis tournament for Frankfort Township, was thought interesting but tabled until the April meeting. He also reported that there is still hope for the start of a 16-inch softball league.

Membership applications are now being accepted for the Athletic Club. Persons interested should contact Bud Balsie at 469-5506.

Don Schofield and Bud Scheeler are checking the possibility of larger accommodations in which the regular meetings can be held.

Refreshments were served by Mrs. Bud Scheeler.

Orland Grade School Winds-Up Successful Basketball Season

The Orland Park School lightweight and heavyweight basketball teams concluded a successful season last Saturday when the seventh graders captured 3rd place in a seventh grade tournament held at St. Michael's School, beating Palos West 33-27. Bridgeview School was awarded the first place trophy by toppling second place Kirby School.

A week earlier, the heavyweight team took first place in the grade school tournament by beating Palos West 39-32. The heavies were

undefeated in regular conference play, although they were beaten twice in non-conference competition. The lightweights secured the third place award in the conference.

The distaff side shared in the success as the Orland cheerleaders were awarded the first place trophy which was awarded on the basis of precision, appearance and effectiveness.

In addition to the team awards, three Orland players were named to the confer-

ence all-star teams - heavyweights Roger Gadt and Deane Meier and lightweight Rick Bain.

Interscholastic athletic competition has been used for several years in many of the area schools at the junior high school level as a means of expanding and putting into actual practice and fundamentals of sportsmanship, skill and fitness which are an integral part of the physical education programs in the elementary schools.

Bucher Announces His Candidacy For County School Post

Boyd R. Bucher, 1215 Grandview Ave., Lockport, has formally announced his candidacy for the office of Will County Superintendent of Schools on the Republican ticket. He has been serving as county superintendent since July 1, 1965 when the Will County Board of Supervisors voted unanimously to have him complete the term of Verne E. Crackel. Mr. Bucher had served as assistant county superintendent for five years prior to Mr. Crackel's appointment as Deputy State Superintendent of Public Instruction.

Seventeen of his 20 years school experience have been in the schools in Will County. He has taught and administered at the elementary, high school, and adult levels, and is a World War II army veteran with three years service as an enlisted man and two years as a commissioned officer. Immediately before coming into the county school office, he was superintendent of the Lockport Central - Kelvin Grove Schools in Lockport for ten years. Mr. Bucher holds a bachelor's degree in education and a master's degree in school administration from Drake University and has taken additional graduate work at the University of Colorado and Northern Illinois University. He holds the Illinois All-Grade Supervisory Certificate. Mr. Bucher is past president of the Northeastern Division of the Illinois Education Association, past president of the Lockport Lions Club, past president of the Lockport Junior

Chamber of Commerce, and past state vice president of the Illinois Junior Chamber of Commerce.

He is a life member of both the National Education Association and the Illinois Congress of Parents and Teachers. He holds memberships in many professional education associations including the American Association of School Administrators, Illinois County Superintendents Association, and the Will County Principals and Superintendents Association. Currently, he is treasurer of the Will County Family Service

Agency and is a member of the Will County Mental Health Advisory Committee.

Bucher noted that the activities and responsibilities in the office of the Will County schools is ever on the increase. School population continues to rise in 33 Will County school districts, and at present stands at more than 44,000 children. The county office distributed in excess of \$5,500,000 to the schools last year. This amount promises to increase to more than \$7,000,000 for the current year.

Mr. Bucher received the party endorsement at its conference held on March 5. Mr. Bucher is married, and he and his wife, Helen, have a 12 - year - old daughter, Amy, who is a sixth grade pupil at the Kelvin Grove school. Mrs. Bucher is a graduate of the University of Illinois and is a qualified teacher.

Leaves CAP Aid To Townships

The poverty program hit a little closer to home Wednesday, March 9 when two resolutions were considered by the Will County Board of Supervisors which would appropriate to the Community Action Program (CAP) \$3,750 to administer the Economic Opportunity Act of 1964.

George Nordstrom, assistant Lockport township supervisor and chairman of the committee on relief, presented the two resolutions, urging the adoption of one and the defeat of the other.

The first resolution designated CAP as the local authority to administer the

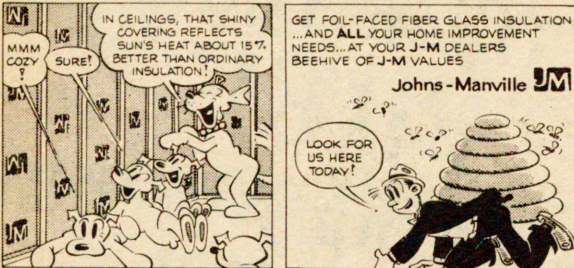

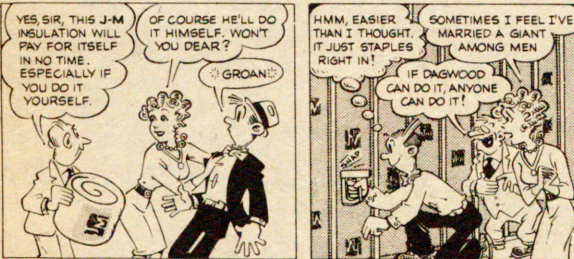

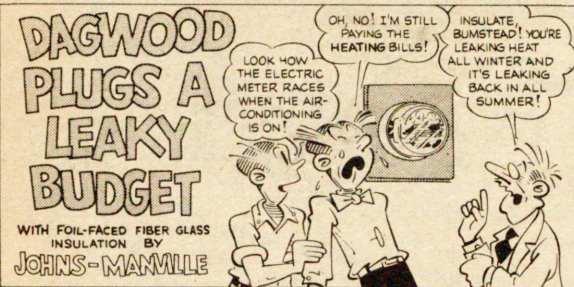

program. It was passed. The second resolution provided a grant of \$3,750 from county funds as "a portion of the non-federal share contribution." It was voted down, the problem being left to the individual townships to handle.

In presenting the first resolution, Nordstrom stated that everyone knows there are certain areas in Will County which would benefit from the program.

"I sympathize with those who desire to participate in this program to help themselves and their children," he said. He then endorsed the resolution designating CAP the authority to administer the Economic Opportunity Act.

Regarding the resolution authorizing county funds for the program Nordstrom said: "The 10 per cent which local government must put into a program to make it operable does not seem to be very much. But I have read that section of the Economic Opportunity Act which deals with the Community Action Program and have found that this 10 per cent can be compared to that part of the iceberg which appears above water. The greater portion of local involvement in this program--just as with the greater part of the iceberg--lies out of sight."

Plan Dedication Of New Frankfort School

There are still some things to be done before Frankfort's new Chelsea school is completed but the board of education is hopeful that all the work will be completed within the next few weeks so formal dedication of the building can be held the latter part of April or in early May.

The board has two tasks before it this spring—it will hire a guidance teacher and also select a choral director for the next school year. Several candidates for the guidance post have been interviewed but final decision has not been made.

Employment of a choral director to serve the Frankfort schools is a departure from the present system. Frankfort and Mokena shared the services of a choral director but because of the increased enrollment in both districts each will have its own. Frankfort wants to hire voice instructor on a three-days-a-week

basis, beginning next school year.

The centralized library for Frankfort School stu-

dents is about to begin operating, it was announced. A lower level classroom has been remodeled and materials classified for a centralized library. It is expected it will be in use within a few weeks.

WILLIAM G. BARR, of Joliet, has been endorsed by the Will County Republican Central Committee, as a candidate for the Illinois General Assembly from the 41st District, which embraces most of Will county. A native of the county he is a son of the late State Senator Richard J. Barr, a prominent figure in state politics for many years.

(Matthews photo)

Will County Clerk To Attend Zone Meeting

County Clerk Clara Hartley Woodard of Will County is scheduled to attend the Zone 4 County Clerks meeting Thursday, March 24 at the Holiday Inn, Peru.

Illinois counties are divided into four zones, and the county clerks in each zone convene periodically to discuss matters pertinent to their duties. Zone 4 consists of 23 northern Illinois counties.

Mrs. Woodard reports that topics of discussion at the March 24 meeting include the coming election, new legislation and constitutional amendments. Special attention will be paid to constitutional amendment authorizing the state to reimburse to the counties which are incurred when proposed constitutional amendments are mailed to each voter, as specified by law.

Taking advantage of such educational advantages is not new for Mrs. Woodard. According to a trade magazine--Illinois County and Township Official--which had a biographic sketch of her in the November, 1965, issue, "she is an avid scholar in conjunction with county operations and endeavors to maintain full understanding and knowledge of new laws and regulations as they affect the county clerk's office."

FOREIGN AID BOONDOGLER—Rep. Henry Reuss (D-Wis.) disclosed that the United States is paying foreign scientists \$70 million to conduct research into such projects as the smells of ocean fish and the perspiration problems of Australian aborigines. In advocating cutting support he said, "Not one dollar of federal research money should be spent abroad unless very exceptional justification can be offered."

COMMUNIST PARTY—Rep. Bob Wilson (R-Calif.) has called on President Johnson to "enlist the best legal minds in the U.S. government" to draft new legislation to control the Communist Party U.S.A. He said, "I am sure it must be demoralizing for American soldiers to fight communism in Viet Nam to learn that Communists at home are freed from restrictions to even register with our government."

MAYBE TIBET, the home of legendary snow - men have snow - women too but it is not likely that any of them would be larger than Frankfort township specimen pictured here. This snow sculpture, made following the recent snow storm, was done by the youngsters in the Fred Zangri family at 11276 194th St., Mokena. She stands about eight feet tall and it was necessary to use a ladder and a stool to complete the job. (Graphic Newspapers photo)

Palos School Dist. Plans Summer Session

The Board of Education of School District 118 has passed a resolution authorizing a summer school session that will permit boys and girls residing in the District to participate in classes that will offer academic enrichment opportunities. Classes in reading, science, mathematics, Spanish, art, cultural tours and band are being considered. Classes will begin June 20 and will be conducted during the morning hours.

If there are a sufficient number enrolled, groups may be divided into primary, intermediate and upper grade levels to better accommodate individual age groups. Enrollment numbers will determine whether classes planned will be offered and whether sessions will be a minimum of three weeks or a maximum of six weeks.

Classes will be held in either the West or Central attendance unit, depending upon enrollment. Classes will be limited in size and acceptance into the program will be based on a first come-first served policy. A materials fee of \$5 per pupil will be charged for each of the classes offered.

Remedial classes may be considered depending upon the indicated interest and need.

Bus transportation along the regular routes is being considered. If offered, it will be necessary to charge a transportation fee not to exceed \$2.50 per week.

Since it is imperative make definite plans in the very near future it is necessary to get an immediate and definite commitment from those parents who wish

to enroll their children in the summer school program, a school spokesman said. Registration forms will be available at the office of each of the District attendance centers: Palos East School, 7700 West 127th st.; Palos Central School, 8800 West 119th st.; and Palos West School, 12700 South 104th Ave. No registrations will be accepted by telephone.

Registration will be

Historical Society Will Meet March 24

The regular meeting of the Will County Historical Society will be held on Thursday, March 24, at Victorian Manor, 20 S. Eastern Avenue, Joliet, at 7:30 p.m. This mansion was originally built in 1873 by Jacob A. Henry, one of the business and industrial leaders of 19th century Joliet. The new owners, Edward L. Trindle and Jerry Booze, are in the process of restoring the home in the Victorian period decor and furniture.

Following the business meeting, an audience participation program will include a history of the home and the plans involved in the restoration by Trindle. Members are asked to bring to the meeting any items of historical interest pertaining to Will County history for the purpose of discussion by the members.

The society will act as joint hosts with the Illinois State Historical Society and the Joliet Township High School Central at the fourth annual regional meeting of

strictly limited to those pupils with legal residence within Palos Community Consolidated District 118.

The following are the boundaries of the school district: District 118 is bounded on the west by LaGrange Rd. from 107th st. to 111th st., then by Will-Cook Rd. from 111th (extended) to 135th; on the south by 135th from Will-Cook Rd. to Harlem; on the east by Harlem Ave. from 135th to 115th st., then by 76th Ave. from 115th to 107th st.; on the north by 115th from Harlem to 76th Ave., then by 107th st. from 76th Ave. to LaGrange Rd.

the Student Historians of Northeast Illinois in Joliet on Saturday, April 30. Clyde C. Walton, Springfield, executive secretary of the Illinois State Historical Society and Win Spracke, Chicago Rakio and television star, will take part in the program. A bus tour of historical sites of Joliet and Lockport is planned. Approximately 1,000 students are expected to attend.

GETS CITATION
